Employed By (Indicate Employer's Name)
at (Indicate Employer's Location)

Advisor's Name (Academic Advisor)

Outline

Date

Company Profile

A brief summary of the Company.

Date

Date

Task Assigned

A full description of your work assignments. Each task should be clearly illustrated with description and time.

Learning Experience

Illustrate the acquired experiences that you gained from the Training. Illustrations, graphs, charts and sketches are properly part of the report and may be placed throughout the text or included in an appendix and referenced. The report should establish a relationship between your academic program and your work

assignment. Application of knowledge gained through course work or related to course work should be emphasized.

Conclusion

A brief summary of the presentation
